My Dear Sir

On Sunday Oct 14/45 - I was  
called in a hurry to see Joseph L. O'SH  
of Moon - Moon Township - Allegheny Co Pa.  
On my arrival I found him lying on the  
floor in his home - where he had fallen  
just a few minutes before - after examining  
a skull -

He was dead - I pronounced him dead at  
7:50 P.M. from Coronary Occlusion and telephoned  
this report to your office at the time  
verification. Dr. Speck M.D. Coraopolis Pa
